Session Start: Thu Nov 02 18:00:00 2017

Session Ident: #darksydephil

[18:13] <jack_spartacus> cheer10 you know what should be on psn so more folks can play it? Killing Floor 2!

[19:23] <sirnoble> hello anyone there?

[19:24] <thatanonybear> yea

[19:24] <sirnoble> hi

[19:26] <thatanonybear> im just waiting until CoD WW2 lol

[19:26] <thatanonybear> and nitw is updating :(

[19:27] <sirnoble> dspFun

[19:27] <thatanonybear> 27 minutes

[19:27] <thatanonybear> how bout you noble?

[19:30] <sirnoble> Same, just waiting for COD.

[19:32] <heelpower> Phil,Phil,Phil,Phil!

[19:32] <thatanonybear> yep, i already had dinner, just relaxing the next hour

[19:32] <thatanonybear> im gna try streaming nitw once it updates but idk how that'd go

[19:32] <heelpower> Disappointed..Wish the halloween games weren't bad

[19:33] <heelpower> the halloween marathon kinda fell through

[19:33] <thatanonybear> i nom'd Call of Cthulhu, i take full responsibilit there :P

[19:33] <heelpower> actually the last bit with phil trying to jump across was pretty funny

[19:34] <sirnoble> Yeah

[19:34] <thatanonybear> true, that section was what mad eme nom it, but it's so long to get to it

[19:35] <heelpower> I had never seen call of cthulu before...I am surprised that outlast games pretty much copy this

[19:35] <heelpower> outlast seems HEAVILY inspired by call of cthulu

[19:36] <thatanonybear> outlast 2 in particular has moments basically taken from Call of Cthulhu

[19:36] <heelpower> yup

[19:36] <heelpower> the door locks

[19:37] <heelpower> in general they just are

[19:37] <thatanonybear> nitw is completely original for a horror game at least

[19:37] <thatanonybear> outlast 2 is a good game, but generally uninspired

[19:37] <heelpower> I am currently playing Evilwithin 2..chapter 11..kind of meh

[19:37] <heelpower> The first one was better...

[19:38] <heelpower> I just don't see myself ever replaying Evilwithin 2..Evil1 was much more replayable

[19:39] <thatanonybear> i can see that, altho i appreciate EW2 more as a piece of horror, EW1 may be the better game

[19:40] <thatanonybear> the way theyre structured, EW1 lends itself to replaying

[19:40] <heelpower> EW1 was jankier but it had so many little neat and weird set pieces

[19:40] <thatanonybear> EW2's a Hllywood production

[19:40] <eldeadmariachi> THANK YOU! HeelPower im glad tho see I'm not the only one that thinks EW1 was better.

[19:40] <thatanonybear> yea

[19:41] <heelpower> Why would I ever want to run around that open world again...

[19:41] <heelpower> and stealth is borked

[19:41] <nich2440> broked?

[19:41] <thatanonybear> it's no splinter cell: chaos theory

[19:42] <nich2440> can we have borked be an offical word now?

[19:42] <eldeadmariachi> @thatanonybear Btw have you seen Chad? He sorta dissapeared

[19:42] <thatanonybear> Bork Lesnar

[19:42] <thatanonybear> @elDeadMariachi he went to freedom chat, and then someone with a Cherdy was briefly in chat today

[19:43] <thatanonybear> JDCherdy iirc

[19:43] <heelpower> I still have my copy of EW1..but I might sell EW2..it sucks because I wanna support the game..it sold poorly

[19:44] <nich2440> wait how much longer til the stream?

[19:44] <eldeadmariachi> @thatanonybear Hmm I don't remember see him. I watched the entire stream

[19:44] <thatanonybear> 45minutes

[19:44] <nich2440> well shit

[19:44] <thatanonybear> @elDeadMariachi i def same the name, they even changed it to purple like ya cherdy

[19:44] <nich2440> see you later i guess

[19:44] <heelpower> so how long have you guys known phil ?

[19:44] <eldeadmariachi> @heelpower I don't think is that bad. EW2 is a good survivot game but not good sequel

[19:45] <nich2440> since heavy rain

[19:45] <heelpower> I never actively participated in the community but I've been watching since maybe late 2011

[19:45] <nich2440> his 10 year anniversary is next year.

[19:46] <heelpower> @elDeadMariachi its a good game for sure

[19:46] <eldeadmariachi> I been following his since 4/nov/2011

[19:46] <heelpower> I can't believe the madness that phil had to go through

[19:47] <thatanonybear> i came to the twitch first on july 4th this year, but been watching since 2013

[19:47] <heelpower> so ridiculous...I am glad I kept myself away from all that

[19:47] <nich2440> @elDeadMariachi You're a sonic fan aren't you?

[19:47] <heelpower> There's just something uniquely fun about phil's style of gameplay

[19:48] <eldeadmariachi> Cool in 2 days is my anniversary of watching for 6 days SeemsGood

[19:48] <thatanonybear> LUL

[19:48] <eldeadmariachi> 6 years

[19:48] <thatanonybear> that makesmore sense lol

[19:48] <eldeadmariachi> @nich2440 I do like sonic but waht do you mean

[19:49] <nich2440> sonic generations was released on November 4th 20122

[19:49] <nich2440> 2011

[19:49] <thatanonybear> whoa

[19:49] <thatanonybear> nich is astute

[19:49] <eldeadmariachi> @heelpower Yeah he's the reason why I started to watch Yt mor constantly he's the reason why I make a yt account well my first

[19:49] <thatanonybear> that's fucking incredible

[19:49] <nich2440> Nah I just looked it up

[19:50] <heelpower> @elDeadMariachi Yup Phil is just a lot of fun...Glad soK is dead for now

[19:50] <eldeadmariachi> Yeah Sonic Generations is my all-time favorite soni well so far

[19:50] <thatanonybear> i dont care what people say behind your back nich, youre a good guy

[19:50] <nich2440> I was trying to figure out what playthrough got him hooked

[19:50] <eldeadmariachi> But the first video I watched of Phil was Saints Row 3 imauguration station

[19:50] <nich2440> thanks ;)

[19:51] <heelpower> Phil got me into Souls series..His intial Dark Souls 1 playthrough is like non other

[19:51] <thatanonybear> im gonna stream nitw if anyone cares, dsp isnt setup to host me

[19:51] <eldeadmariachi> I created and account becausei remeber saying like " I like this guy I wanna se more fos hi videos"

[19:51] <nich2440> i don't

[19:51] <nich2440> :P

[19:51] <thatanonybear> thank u
